Championing Students and Their Learning
It's time to celebrate! This is the last week of classes at JN Burnnett Secondary School for the 2022-2023 school year. It has been a successful school year for many students and their teachers.

Throughout the school year, our values have guided us and provided us with meaning in our work, in our learning and our daily lives. As educators, we have exemplified our values and supported the learning of every student. We have been encouraged by the growth and progress of all students. Our focus has been on supporting learners, our colleagues, and our educational community.

Together, students and teachers have shown determination, resiliency, and courage. We have not settled; we have given our best effort every day. We have strived to do our best for our students and our community. Our unwavering hope and faith during all the ups and downs have brought us to this final week. We achieved this together and we did it for each other, our students, and our community.

Learning Completion Days – June 26 and 27
Students who require additional time to complete any outstanding assignments / tasks or demonstrate their learning may schedule appointments with their teacher(s) to complete these assignments and tests.

Summer Learning 2023 (Registration opened May 8, 2023)
Students may register for Academic Completion to repeat courses (grades 10-11) in which they were not successful during the year and/or where Summer School was recommended. All courses will be held in-person from Wednesday, July 5 - August 1, 2023 @ McNair. **Please checkout secondary enrichment and summer camps here.**
