PRINCIPAL'S MESSAGE

Dear Parent/Guardian,

The month of November has passed by quickly and we have accomplished many things this month. As I take a moment to reflect on the past month, there are many things we need to celebrate.

November has been busy months with various activities and initiatives aimed at supporting others in need. Semester 1 Term 1 Report Cards were published and emailed home. Students who are struggling will also receive "Learning Updates" on December 11th. "Learning Updates" help students identify what they need to do to meet the Learning Standards in each course.

Many thanks to parents of our Gr. 9 students who supported our annual "Take your Kids to Work Day on November 1st. On November 10th, our Remembrance Day ceremony was a great success. Our entire school joined together to honour, remember, and reflect on those who have and continue to stand up for our freedom. Our students did an outstanding job leading the ceremony, playing music, reciting poems, and delivering a powerful performance. Most of our students dressed in formal wear and I was so impressed with their high level of respect throughout the ceremony.

November also saw many athletic teams in action, with volleyball and soccer coming to the end of their seasons. Basketball planning is in full swing, with tryouts and games starting in early December for all teams.

As we look ahead to the month of December, we have lots to be excited about. Our school community always demonstrates its generous spirit with a variety of events planned to raise funds to help others in need. We thank you in advance for your contribution and your help to make a positive difference.

Sincerely,
M. Jaswal
Principal JN Burnett Secondary School

Band News

The Haunting Howling's concert took place on the 31st of October. Everyone's entitled to one good scare! Our developing, concert band, band club and Mrs. Khoo's Wowk honor band came together as a mass band of 103 students and played Crooked Toe, Farandole, and Haunted Clocks.

The senior band performed at the Remembrance Day Ceremony, delivering a poignant and stirring tribute that resonated with solemnity, honoring the sacrifices of those who served.

Burnett concert band entered in the 2023 Canadian Music Class Challenge and played the song "Canadian Christmas" by Suresh Singaratnam. We're thrilled to share that the performance is now live on the CBC Music Class YouTube channel! Here is the link: <https://youtu.be/nfCLewEEwnA>. Feel free to spread the joy—share the link with your family and friends. Don't forget to use the hashtag #cbcmusicclass.

Annual Canned Food Drive Hosted by JNB Student Council

As we gear up for the holiday season, our Annual Canned Food Drive at our school has started! This year, we're focusing on supporting the Richmond Food Bank with proteins and carbohydrates. Donations of canned tuna, chicken, beans, as well as pasta, rice, soup, and other carbohydrate-rich items are much needed. Collection is at B block class on Tuesdays and Thursdays. Let's join forces as a school community to make a positive impact and support those in need during this holiday season. Deadline for collection is Dec 8, 2023.

Host French Students

Grade 10 French students are participating in an exchange with a French secondary school located in Orange (south of France). They are exchanging videos about their daily lives. In April 2024, the French class will visit J.N. Burnett for one week, from the 13th to the 21st. We are still looking for a few families to host a French student for that week. If you are interested, please contact Mrs. Hue at chue@sd38.bc.ca.

Robotics News

In the month of November, our robotics club has been progressing steadily. The build team consistently meets weekly to enhance their skills and expand their knowledge of robotics. Thus far, they have collaboratively cleaned and organized the robotics room, creating a more spacious and efficient work environment. Future plans for the build team include reassembling the robot's base and conducting safety training sessions this upcoming Friday in preparation for the 2024 season.

At the same time, our marketing team has been working hard to search for different companies and grant applications to support our upcoming competition season. They learned how to apply for grants and how to reach out to companies for sponsorship opportunities in a grant writing workshop that was held after school. The marketing team is also working on designing a new team jersey to represent our robotics team and will continue to apply for grants!

Celebrating Excellence

We are thrilled to share the remarkable achievements of two outstanding students from J.N. Burnett Secondary School, Spring and Ocean Ma, also co-presidents of student council. They have not only clinched the titles of Canadian junior squash champions in the U17 and U19 categories but are now setting their sights on the LA 2028 Olympics, where squash will make its debut on the Summer Games stage.

In a recent interview with Sportsnet, Spring and Ocean shared their unique journey into squash and provided insights into their roles and the balance between academics and athletics.

We congratulate Spring and Ocean on their extraordinary achievements and wish them the very best as they continue to excel on the squash court and pursue their dreams of Olympic glory. The J.N. Burnett Secondary School community is immensely proud of these two exceptional athletes and student leaders.

RICHMOND
SCHOOL DISTRICT NO.38

Dear Parents and Guardians,

Thank you to all the parents who attended the November PAC meeting and participated in the allocation of Gaming Funds. We had a very efficient meeting and allocated \$54,335.80 to student clubs, Dry Grad, our PAC Legacy Scholarships, PE Equipment, Musical class, and 11 more Laptop requests from Burnett's library this year.

PAC receives funding from the government at \$20/student every year, and we received \$18,000. Including the funds raised by the Gala last year, plus government funding, we can only afford \$28,824.80 of expenses; the remaining \$24,011.00 is unaccounted for. Therefore, the PAC Fundraising Committee has planned numerous fundraising activities before and after Christmas. We hope Burnett's parents can collaborate and work hard to secure more benefits for our children.

We absolutely love and welcome parents who would like to support their children and the school by making a donation to PAC. If you have any questions, please contact us at jnbpac1968@gmail.com.

DRY GRAD:

PAC sponsors the Dry Grad every year. The Dry Grad Committee are seeking sponsors, volunteers, donations for our Dry Grad. The event provides a fun and safe party for the graduating students after their dinner/dance in June.

A MESSAGE FROM DRY GRAD 2024 COMMITTEE CHAIR GRACE YING:

Calling All Parents of Graduating Seniors! We want YOU!

Hope you're all doing well and enjoying the ride as our kids cruise towards the finish line of high school. The big day is fast approaching, and you know what that means – it's time to start planning the epic Dry Grad 2024 celebration!

But we can't pull off this fantastic event without some awesome parents like YOU! We're looking for enthusiastic folks to join our Dry Grad 2024 committee. We need your help with food preparation, entertainment planning, site decoration, and, of course, keeping our finances in check.

In addition to your valuable skills and energy, we also welcome your support in another crucial aspect – fundraising. We're excited to announce the launch of our Grade 12 Parent Donation Drive! Your contributions will go a long way in making the Dry Grad 2024 celebration truly unforgettable for our graduating seniors.

So, how can you get involved and be part of the magic? Simple! Just reach out to our Dry Grad 2024 chair, Grace Ying. You can email her at gracey@hotmai.com (subject line: Dry Grad 2024) to express your interest, ask any questions you might have, or to contribute to our Grade 12 Parent Donation Drive. Grace is excited to welcome you to the team, and together, let's make Dry Grad 2024 an event to remember!
