Listening, Learning, and Leading
Every student, every day, whatever it takes!
“Without humility, you are unable to learn.”
“Alone we can do so; together we can do so much.”
Helen Keller

On April 22, 2024, Burnett Students received their Semester 2, term 1 report cards, and it comes as no surprise to anyone that “Parents want their kids to be successful.” Parents want to do what is best for their children; they want to help. One of the best ways to help is to create a strong partnership. When parents and educators reach out to each other and collaborate as partners in educating students, everyone benefits. Parents feel empowered, and teachers feel supported.

Parents are empowered to take active roles and are provided tools to reinforce the lessons learned at school, whether at home at the dinner table or anywhere they have a moment. Teachers and parents support each other as active and committed partners working toward common educational goals at school and at home.

However, the ones who benefit most from teacher-parent partnerships are students. Students learn and grow because they have a team of adults supporting them both at school and at home. They have a team of adults who believe in them and encourage them. They have a team of adults who help them set goals and hold them accountable at school and at home. If everyone is moving forward together, then success takes care of itself, both for teachers and students.

It takes effort and intention to create a systemic culture of family engagement. The results of which can have a huge impact on a student’s success and their future. These partnerships create supportive school communities with everyone contributing to the success of students.

CONFERENCE DAY! MAY 3rd We are looking forward to seeing all students attend our last conference day filled with Capstone Presentations. The end of the day will include a Pep Rally celebrating Breakers and their participation in the school.

Capstone Presentations on Conference Day May 3rd
 The capstone is an opportunity for students to further showcase their strengths, passions, and learning journey over the past few months and years. As a celebration of their learning, on May 3rd Grade 12 students will share their short films, documenting their capstones with their peers and junior students at Burnett. The top capstone projects will be forwarded to Burnett PAC for consideration for the Legacy Scholarships. These five scholarships will be awarded to the students with the top Capstone Projects. Students will be asked to present to PAC on May 23rd from 7pm to 8:30pm.
