Dear Parents and Guardians:

Our semester 1 interim reports and parent/teacher conferences have been completed. It is important for students and their families to monitor the progress in all the courses through goal setting, and discussion about the overall strengths and areas in need of improvement.

October was a busy month at Burnett, as our fall athletics season and our clubs are now in full swing! There are so many positive activities that our students are involved in, both in and out of school. These are so important in the development of well-rounded students and young adults. Our student council hosted a dance for all Grade 8 students in the second week of October. The entire event, including the DJ, was organized by our student council, sponsored by Mr. Yamamoto. In the last week of this month, we had a great Halloween dance, once again organized by student council. The month ended with many staff and students coming to school on Monday demonstrating school spirit by dressing up in a variety of costumes. Well done, Breakers!!

Please take a minute to read about other highlights and happenings in our J.N. Burnett school community.

Sincerely,
B. Wiens
Principal

NEED INFORMATION? HAVE YOU CHECKED THE BURNETT WEBSITE?

<http://jnburnett.sd38.bc.ca/>

There is a great deal of important information that you will find useful. Parents can check the school calendar as well as read about the latest Burnett news. Grads can get their grad transition information, news from our counselors, student council and much more.

REMEMBRANCE DAY CEREMONIES

We are busily planning two large assemblies that will take place in the large gym. Due to fire regulations, we are not permitted to have the whole school in the gym at one time. Each assembly will be approximately 30 minutes long and will take place on Thursday, November 10th. We encourage parents to attend and will set aside a seating area for all visitors who are able to join us. At the time of writing this newsletter, plans for the ceremonies are well on their way. The first ceremony will begin at approximately 9:50 and the second one at approximately 10:45. Those parents planning to join us may wish to call the school the week of November 2 to confirm the exact times of the assemblies. This year's ceremony will be a result of the contributions of many students from a variety of subject areas. **We will be collecting contributions for the Headstones of deceased veterans who do not have these markers. Collections will occur throughout the week and we encourage all students to do their part. Poppies will be handed out just before the ceremony on November 10.**

TAKE OUR KIDS TO WORK DAY GRADE 9 STUDENTS

This year *"Take Our Kids To Work"* day is **Wednesday, November 2nd**. This is a National Day started over 10 years ago that involves Grade 9 students across the country. All Grade 9 students are encouraged to participate by going to work with their parents to job shadow for the day. Students may also job shadow a relative, family friend or volunteer host. This is an opportunity for students to get a sense of what it is like to be part of the work world and think about what they might like to do in the future. If you will be taking your Grade 9 child out of school on November 2 to participate in this day, please fill out the paperwork (available in the office or on line at <http://www.thelearningpartnership.ca/document.doc?id=416>) and inform the school at 604-668-6478.

Parent Advisory Council News

Upcoming PAC meetings:

November 3 at 7:00pm—allocation of Gaming Funds from staff requests
December 1 ---Parent Ed topic by the school administrative team. "New Curriculum Update"

The BC government, through its Gaming branch, gives Parent Advisory Councils at BC schools an allotment of money based on the school's student population. The Burnett PAC uses this money to fund clubs, sports and classroom "extras".

At the November 3 PAC meeting we will decide on the allocation of the Gaming Funds. Please join us at 7:00pm on November 3 to help determine how the funds will be spent. We will also start planning the December Staff Appreciation Breakfast at our November meeting.

The Dry Grad Committee needs a coordinator(s) AND volunteers! The Dry Grad is a safe secure party for grade 12 students after their dinner/dance in June.

Parents of Grade 10, 11 & 12 students, this event will not happen without YOUR HELP!

All parents at Burnett are encouraged to volunteer for the Dry Grad

Helping with Dry Grad is FUN, especially in the fun, celebratory atmosphere that surrounds the Dry Grad party!

*****Many hands make light work*****

I hope you join us at our next meeting
Thursday, November 3, 2016!
Stephanie Nomellini, PAC chair
