Once your Capstone Project Proposal is approved, you can get started on your Capstone journey.

My Capstone Proposal:

I am passionate about (a hobby, sport, or future interests):

This topic is meaningful to me because:

My current experience with this topic is:

A Capstone Project is about learning something NEW. What do you hope to learn/understand/be able to do?

The Capstone Style best suited to my topic of interest is:

As a result of my learning, I will produce/create/demonstrate/research/document:

Your capstone should be a defining passion project. This means it should have appropriate:

- **Scope:** It should be specific enough to focus your passion, but not too broad that it becomes too much work.
- **Size:** It is developed over the course of a year, and cannot be completed through short term planning.
- **Documentation:** Explain your process, research, development and creative steps
