

# J.N. BURNETT CAPSTONE STYLE WORKSHEET

Student Name: \_\_\_\_\_ -

(usual first and last name)

Student #: \_\_\_\_\_ Grade: \_\_\_\_\_ HR \_\_\_\_\_

Spend some time brainstorming ideas with your peers. Think of pros and cons for each possibility, and what is best suited for you.

Answer the following questions. Please print clearly and neatly:

Which of the Capstone Styles you've read about appeals to you the most? Why?

---

---

---

---

---

What do you foresee as your biggest challenge with your Capstone? What are some strategies that could help you through this?

---

---

---

---

## **THE JOURNAL**

You will need to keep a record of your ideas/progress/experiences from start to finish. Consider keeping a journal to track your process; it could be a sketchbook, a diary, a digital journal, blog, or a combination of these. Make sure you include written reflections along the way. What are some questions you have? Discoveries? Difficulties? A journal keeps track of the process of your learning.

**\*ONCE YOU COMPLETE THIS PAGE, UPLOAD IT TO MYBLUEPRINT - CONFERENCE DAY GRADE 11 – CAPSTONE PORTFOLIO. KEEP THIS DOCUMENT IN A SAFE PLACE.**
