### Principal's Corner

The month of June has arrived. Students are participating in many events and activities as we continue to focus on wellness, equity, inclusion, learning, and engagement. We are committed to finishing the year strong. Tonight, we celebrate with the grad class of 2022 at their Dinner and Dance. We are so thankful that we can finally celebrate the accomplishments of our students again as a community. We are also looking forward to our athletics and awards celebrations this month!

### Equity, Inclusion and Diversity

The Richmond School District recognizes and supports Pride Month in June of each year. The district believes that equity and inclusion are foundational to learning and leading, and are critical to success, wellbeing, and fulfillment. Read more at [Celebrating Pride Season](#). In June, we also commemorate National Indigenous History Month. During this month, we take time to recognize the rich history, heritage, resilience, and diversity of First Nations, Inuit, and Métis Peoples across Canada.
