Principal's Corner

Last night I had the opportunity to watch Theatre Company's amazing production of *The Play that Goes Wrong*. As always, I was so impressed by the diverse talents of Burnett students. Thanks to all involved in this amazing production! Closing night tonight at 7:00 PM. We have a wonderful school and community. The week ahead is busy and full of opportunity and celebration for our students. I encourage everyone to find time for their physical and mental health as we move ahead into the last days of this incredibly complex school year. We are looking forward to finishing the year strong focusing on care, kindness and meaningful learning and engagement.
