As we bring this school year to a close, I want to take this opportunity to thank each and every member of our wonderful school community for helping to make this year a great success. Together we have navigated the complexities of the pandemic and been able to provide our students with a safe and engaging learning community. As principal, and on behalf of all our staff, we are so proud of all of our students as we strive to develop thoughtful, caring, passionate educated citizens who contribute every day to our school and community.
