## PRINCIPAL'S MESSAGE

We are incredibly thankful for the way in which students, staff, and our community responded to the challenges we faced together after the winter break. Students have done an excellent job following all the enhanced safety measures at the school. Thank you for your support in helping our students keep Burnett a safe place to work, learn, and lead. The latest guidance from the BCCDC and VCH is available on our [website](#). We will work to help our students remain vigilant in maintaining health and safety protocols as we wait for an easing of Public Health Order restrictions. As a staff, we are optimistic that there are brighter days ahead for our learning community.

Despite the challenges, we have had an excellent month of learning at Burnett. Staff have adapted their curriculum and instruction helping our students finish the first semester strong. Staff agreed to cancel their professional collaboration time during BLT this month to allow more time for students to complete learning activities, go deeper in their understanding, and get extra help. I had the opportunity to visit many classrooms over the past several weeks and was impressed by the way in which students were demonstrating their learning in a variety of ways. Staff continue to design lessons and learning opportunities based on British Columbia's [redesigned curriculum](#). Students shared with me many summative learning opportunities at the end of semester that reflected their understanding of Big Ideas, Curricular and Core Competencies. We are proud of the learning and engagement that happens every day. Please enjoy a small sample in our *Learning in Focus* section in every newsletter.

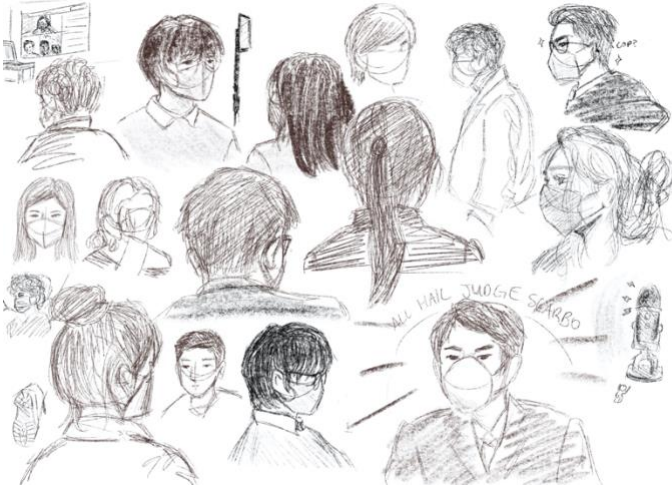

In January, our *Use Your Voice* club led our school in learning about *Black Excellence Day* placing posters of significant societal contributions made by Black people. Many students wore black in support of the day and staff were provided resources to lead discussions in their classrooms. The month of February is *Black History Month*. Our Library Learning Commons has many excellent resources available for staff and students. January 28<sup>th</sup> was *International Holocaust Remembrance Day*. Many of our social studies classrooms took time to deepen their understanding and review the importance of remembering the Holocaust. Along with the Richmond School District, Burnett is committed to becoming a more inclusive and equitable school each day. On January 31<sup>st</sup>, our staff participated in an informative professional development day on how we can be more active in being an anti-racist community.

February is a very busy month at Burnett. Please take the time to review the events calendar and read the [Week at a Glance](#) each week. In a few days we will begin semester two. Semester change always provides an opportunity for students to make a fresh start and set meaningful educational and personal goals for the remainder of the year. This includes taking time for personal wellness, paying attention to mental health, sleeping well and regular exercise. The pandemic has been challenging for both students, staff, and families. Students are encouraged to reach out for help at any time.

Finally, Gung Hei Fat Choi! Gong Xi Fa Cai! Happy Lunar Year to those who celebrate!

Mr. D. Ratzlaff

### PIVOTING IN THE PANDEMIC

Law 12 classes work hard for and look forward to our Mock Trial – each year it represents an engaging, hands-on opportunity to synthesize and apply their learning. We were planned and ready to go and then Omicron hit and some of our key participants were knocked down. We had to pivot and create a way to run the trial. We set up a Teams Meeting, and some students supported with iPads and Yeti microphones; therefore, we were able to have those inside and outside class fully participate. Just as in past classes, we had lawyers questioning and objecting, witnesses delivering testimony, the judge, court clerk, and sheriff keeping all in line, but this time, with a mix of in person and online involvement. An unexpected highlight was how one student initiated the drawing attached to this article using her tablet. The takeaways. Tech tools that PAC and the Library Learning Commons provide facilitate distributed learning. Students and staff continue to show resilience and creativity in overcoming challenges. Sometimes an unfortunate context creates the most authentic learning.

### THEATRE COMPANY

#### **Theatre Company 9-12 is still working hard!!**

We have pushed the opening date for our mainstage show, "**The Play that Goes Wrong**" until **May/June**, but we continue to work on it and have even put up the beginnings of the amazing set designed by Ms. McNee and built by Mr. Bevan. There is still lots of painting and building to do but it's looking great!

We have then bumped up the student-led One Act Play, "**14 Ways To Screw Up Your College Interview**". We are almost finished the audition and casting process and will begin rehearsals with the intention of opening it in **March**, preferably live but also with the possibility of it being video recorded. This show features only two actors per scene, reducing the numbers of students at rehearsals, an important consideration during these times.

Regardless, we are committed to creating quality theatre and working together to build our production and performance skills. We hope to see you at one or both of this year's productions. ***What we do is a labour of love and we hope to share it with you all soon!!*** We will keep you posted!!

ART DISPLAYS IN THE LIBRARY

Thanks to Ms. Verma and Ms. Riter, J.N. Burnett’s talented Art students were able to put their creations on display in the library this month.

Mr. Heller’s Art Studio class explored the idea of creating a concept food, then designing and building a 3D model where it could be sold. Considering space, texture, and scale, students were able to experiment with different materials to create conceptual models.

Ms. Taylor’s Studio Art 3D designed and constructed papier maché hot air balloons, considering elements of art and principles of design, such as form, colour, emphasis, and unity. Students used their imagination to create unique and dynamic sculptures.

## GRADE 8 T-SHIRTS

To build community in the Grade 8 Class, several "COVID safe" events have been planned this year to bring the class of 2026 together. As part of the community building endeavour, the Mentors have designed a t-shirt that is unique to this grade 8 class. The theme for this year's grade 8 class is "Breakers Breaking Barriers. We encourage grade 8s to purchase a shirt as a way of connecting with their peers in Grade 8.

## LAUNCH SIGNING OFF

Hey Breakers, we were the Marketing 11 class this semester! Our store, LAUNCH, has served the Breakers' community for five months. We have accomplished so much in such a little time, thanks to your support. Here's a little [VIDEO](#) for you all to show how much we appreciate what you have done for us. Everyone at LAUNCH wants to let you know that you are amazing, and you can do it!

## ARC News

Follow ARC (Animal Rehabilitation and Care Rescue Society) by reading our blog at [arcrescue.ca](http://arcrescue.ca).

Donations to the rescue can also be made through our website. Thank you to everyone who purchased a toque for Covenant House. The money went to help animals in need and the toques are now being distributed to homeless youth.

We are looking for crafters who are able to make jewelry, toques, stuffed animals, and other items ARC can sell. We can help purchase the necessary craft materials. We also need families with dog experience who are willing to foster a rescue dog for 2-12 weeks.

*Please contact Margaret Galan at 604-668-6478 if you can help with making items or with fostering.*

Our Care dog, Jet, wants to thank all the students (especially Raymond) who showered him with candygrams in December. He received an entire boxful to donate to his young human friends and it's possible he got to taste one himself. Jet hangs out in room A110A on Tuesday, Wednesday, and Friday, and all students are welcome to drop by and visit him.

## WINTER FORMAL POSTPONED

We are pleased to see our students back in the building after an extended Winter Break. This message comes to bring the unfortunate news that we will be postponing the Winter Formal to a date to be determined at a later time. This decision comes after considering the following factors:

1. The spread of the Omicron variant of COVID-19 is still rampant in the community and holding an event like this may be an additional opportunity for our community to become sick.
2. Dancing is currently not permitted in school district events due to COVID-19 protocols.
3. The event capacity is significantly reduced due to COVID-19 protocols and this prohibits how many students can attend.

When we are able to hold a more robust, "traditional" Grad Formal event, we will work with our event venue to create an experience that grads can fully enjoy. At this time, our Grad Boat Cruise and Dinner and Dance events are still on. As we get closer to those dates, information of the event will be released along with payment details. Although this is not the news grads wanted to hear, the health and safety of the community is paramount above all else.

Take care Grads of 2022.

### ATHLETIC COUNCIL

This month, Burnett has succeeded in the Richmond Basketball League, with the Bantam Boys currently ranked 2nd, the Juvenile Boys ranked 3rd, and the Juvenile Girls ranked 4th, Burnett's highest-ranking teams amongst grades. Yaro Meng, captain of the Bantam Boys team, was awarded the Athlete of the Month for January, averaging 28 points per game and scoring a career-high of 40 points vs. McRoberts. Josephine Tang earned her Athlete of the Month for January by helping the Juvenile Girls win, scoring 18 points. The Senior Boys team achieved a 2-2 record, with Tenzin Bray scoring a season-high of 47 points and 14 rebounds. The Senior Boys took Palmer to overtime, winning 66-61 with free throws last minute. All the Breakers Basketball Teams have been working hard to prepare for their upcoming playoffs which starts in two weeks. Let's keep working, Breakers!

The player of the month of January is Yaro Meng. The Bantam Boys' Basketball Team have started their season intense, going 6-1 in the Richmond League. Yaro Meng has demonstrated tremendous skill and teamwork by involving himself with his peers and teammates. Yaro is vocal on and off the court and never fails to show his potential in practices and games. Yaro currently has a total of 157 points, 53 rebounds, and 28 steals.

The player of the month of January is Josephine Tang. Her prominent role on the team is evident, as she scores efficiently and leads the team, both on and off the court. On January 20<sup>th</sup> in a game against McRoberts, Josephine led the team to a win with 19 points. Josephine currently has a total of 36 points, 10 rebounds, and 14 steals.
