## PRINCIPAL'S MESSAGE

We hope that everyone has had a restful and relaxing time with family and friends over Spring Break. We have three months left in this school year and are hopeful that we can finish the school year focusing on student learning, engagement, and the many events and activities that make high school great at Burnett while continuing to ease pandemic restrictions. Our school continues to have an excellent health and safety record with respect to Covid-19. Thank you for your ongoing commitment and support in keeping our school healthy and safe.

We continue to work towards our goal of an inclusive, healthy, and engaged learning community for everyone in alignment with the Richmond School District's [Strategic Plan](#). This month we are engaged in deepening our understanding of Sikh heritage as April is National Sikh Heritage month. In addition, we want to acknowledge the start of Ramadan and wish our Muslim students and families a "Ramadhan Mubarak". We also want to acknowledge those of the Christian faith who are anticipating Good Friday and Easter in the month of April.

One of our two identified goals for the 2021-2022 school year is improving student learning and engagement through improving student well-being as part of our action plan for 2021-2022. Please take the time to read our School Story and Blog Posts at [Our School Story](#). Specifically, through strategies and actions, we are hoping to see improvement in student measures and data related to personal well-being and mental health. On March 4<sup>th</sup> we hosted our third Conference Day. Our students successfully participated in workshops focusing on *Mental Health and Wellness*. Students across all grades participated in various learning activities to deepen their understanding on mental health and wellness. Highlights included presentations by *Stigma Free* emphasizing the importance of destigmatizing mental health and promoting acceptance, inclusivity and understanding. We also had activities designed to help our teens understand their own mental health, sleep patterns, and physical health in an effort to improve overall balance in their lives. Our grade 10 students participated in an excellent interactive presentation from *Safe Teen*. The *BC Lions* new quarterback and others presented to our Grade 11's. Finally, our Grade 12's had an excellent presentation from *Ted Swan (ICBC speaker)* on being safe and well for Grad.

We are pleased to announce that the Spring Formal, Boat Cruise, Dinner Dance/Re-Imagined Dry Grad, and Valedictory at the Chan centre are back on for our Graduates. Buy tickets on Cash Online and we look forward to celebrating with the class of 2022! If you would like to help with Dry Grad, please contact Ellie Kharazmi at [ekharazmi@yahoo.com](mailto:ekharazmi@yahoo.com). Burnett has a strong tradition of Grade 11 and 12 parents helping at Dry Grad. Please consider helping to create a safe event for our Grads!

Mr. D. Ratzlaff

Dear Burnett Families,

**During the month of April we are seeking feedback about our school from Parents and Guardians.** Parent/Guardian voice is a very important part of the process in shaping our school culture and goals. We highly value your input. Our students in grade 8,9,10, and 12 completed the Provincial Learning Survey during our March Conference Day. Please consider taking a few minutes to provide our school with your thoughts and ideas. We very much appreciate your time and commitment to making Burnett the best possible place to work, learn and lead.

Mr. D Ratzlaff

## PROVINCIAL SURVEY NOTICE APRIL 2022

### **Student/Parent/School Staff Provincial Student Learning Survey 2021/2022**

**Please consider completing the Parent/Guardian Survey this year as it will help JN Burnett staff better understand our school and plan for the future with parent/student and staff voice as part of the process. We appreciate your time.**

#### **Summary:**

The Provincial Student/Parent/Staff Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

In March 2022, the Student Learning Survey will be administered to students in grades 8,9, 10, and 12. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local issues may be included.

The survey can be completed electronically and can be accessed on the Internet. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section.

#### **To complete the survey:**

1. Go to any computer that has an up-to-date internet browser access at home, work, or school.
2. Go to <https://www.awinfosys.com/SurveyFull1/central/main/access.asp>
3. **Under the section Direct Access – no logon number required select:**
  - District: the name of your child's district
  - School: the name of your child's school
  - Language: the language of your choice
4. Complete the survey by clicking on the appropriate circle to answer each question. Move to the next set of questions by clicking on the right arrow in the bottom right corner of the screen. Click on the left arrow to navigate backwards.
5. When you are finished the survey, you will get a message "Thank you for sharing your views".
6. Once complete, your school will have the results immediately.

The e-survey site will be open until April 29<sup>th</sup>, 2022.

If you have any questions, please contact the school at 604 668 6478.

# Learning in Focus

## FIELD TRIP TIME!

### International Field Trip to the Museum of Anthropology (UBC)

Our short-term Japanese international students went on an exciting self-guided field trip to the Museum of Anthropology with Ms. Farvolden, Mrs. Verma and Tombert on March 1.

They completed a treasure hunt while exploring the Indigenous exhibits in the museum. It was an eye-opening experience for the students to be exposed to Western Indigenous art for the first time and our learners took time to observe, describe and reflect on the artifacts they saw.

Our chaperone staff members also proudly introduced the buildings they once studied in while the students admired the beautiful architecture and scenery all around UBC.

## Attention to All Graduating Students!

# GRAD COMMITTEE WANTS EVERYONE TO ATTEND GRAD EVENTS

We are very excited to announce that all graduation 2022 events will be back on schedule! We will kick off the grad events with Spring Formal on Friday, April 8 at Quilchena!! Golf Course. All grads of 2022 are encouraged to attend, and we can't wait to finally celebrate together with food, dancing and photobooth! Buy tickets of all Grad Events on Cash Online.

## BURNETT SCHOLARSHIP APPLICATION DEADLINE

There are thousands of dollars of school-based or district scholarships available to Burnett grads every year. The recipients of these scholarships will be announced at this year's Valedictory Ceremony on Thursday, June 29th. **Any grade 12 student who would like to be considered for these scholarships must complete and submit the Online Scholarship Application Form by Monday, April 4, 2022.** The link:

<https://survey.sd38.bc.ca/TakeSurvey.aspx?PageNumber=1&SurveyID=98KKI5m3&Preview=true#>

Included in this Online Scholarship Application Form is a section to apply for District/Authority Scholarships. These scholarships are awarded to students who have exhibited an area of interest or strength outside the academic subjects. Many candidates will be teacher nominated, however if you feel you are a candidate for one of these scholarships because of your involvement in the community, please see a staff member to be nominated. Please know that consideration is first given to students who will continue to study these subject areas in post-secondary institutions. All applicants for the District/Authority Scholarships are required to complete the Evidence of Achievement box in the District/Authority Scholarship Application section on the Online Scholarship Application Form.

If you have any questions regarding the application process, please contact Mrs. Kusec or your counsellor.

\*A reminder that on a regular basis, you should be checking out our Career Information Advisor, Ms. Carter's website for other scholarships that she has posted.

ATHLETIC COUNCIL PRESENTS

March's

ATHLETE OF THE MONTH

JOHNSON FU

GRADE 11

senior boys

Hello Breakers!

My name is Johnson Fu, and what I enjoy doing athletically is playing volleyball or dancing. I have been dancing for over 12 years, and since covid restrictions have lifted, I'm very excited to perform for everyone in Burnett. I began playing volleyball in grade 8 without any training, and since then, volleyball has become my favourite sport! Positioned as the middle of my volleyball team this year was the best experience ever! I found myself enjoying every game, win or loss. And now being a part of the ultimate this year has opened more opportunities for me in Burnett Athletics!

March's

ATHLETE OF THE MONTH

ARYANIE YANG

GRADE 12

senior girls

Hey Breakers!

My name is Aryanie Yang and I've grown up playing many different sports and love to be active. I played basketball for 6 years and joined the junior basketball team in grade 8, which pushed me out of my comfort zone, and was the start of my athletic journey in high school, helping me build strong friendships. In the end, we won 1st place in Richmond, which will forever be a core memory. It was through my basketball coach that I learned about the sport ultimate. Joining ultimate in grade 9 not knowing anything about the sport, has quickly become one of my favourite sports to play and I'm grateful to be able to play my last season at Burnett. Being co-captain of the dance club is something I would have never imagined, but through PE dances in grade 8 I realized I loved to perform. Sports have always been a way for me to release stress and have taught me many important skills such as resilience, teamwork, and leadership which have shaped me to become who I am today.

## ARC News March 2022

### Louee

Our big Pyrenees X, Louee, came back to us this winter. Coping with his extreme anxiety proved too challenging for his guardian. Ruth fostered him for a while and then he went to a foster home in December with a family that was committed to working with him. It wasn't easy for Donna and her family, but they knew Louee was a gentle giant who was just extremely stressed with all the home changes in his short life. With the help of ARC's veterinarian, who prescribed medication to ease him through the first couple of months in yet another new environment, Louee settled in and was adopted by Donna's family after he stole their hearts and parked himself on their furniture. He's a big soft boy who loves to play with his friends at the park and enjoys travelling in the new Tesla they bought especially for him. He's currently attending ARC Training classes and we love seeing his big goofy smile every week. We are so happy for Louee and thankful that his forever family took the time to help Louee become the good boy we knew he could be.

### Miska

In October, ARC volunteered to foster an energetic Husky/Border Collie/Terrier X from northern Manitoba. She had bounced from a foster home to two adoptive homes within a week. Her guardians said she kept frantically running into doors and walls and wouldn't settle. Margaret fostered her and that was a big mistake. Miska became a foster fail and is now tormenting Margaret's family on a daily basis. Read about Miska under "Little Bear" on our blog at [arcrescue.ca](http://arcrescue.ca).

Welcome back to school after spring break!

欢迎大家春假结束回归学校！

Special thanks to Kurumi, a fellow mom at Burnett, who is currently in Japan but still very involved with our PAC fundraiser. In addition to attending monthly PAC meetings, she translated the school's online fundraising message into Japanese to encourage Burnett's Japanese parents to donate to the school's library to purchase new computers. Your hard work and dedication are greatly appreciated!

要特别感谢一位妈妈，她的叫 Kurumi。Kurumi 本人现在在日本，心却非常关心我们学校 Burnett PAC 的筹款活动！除了每月都参加 PAC 的会议之外，她还把学校网上筹款的信息翻译为日文去鼓励 Burnett 的日本家长捐款给学校的图书馆买电脑！More fantastic news to share – our PAC's Fundraising Specialist Group has officially been established! Emily is the chair of the fundraising group and Amanda is the vice chair. The members are Jasmine, Lia, and Henry. Congratulations everyone!

更值得高兴的是，我们 PAC 的筹款专员小组正式成立。Emily 是筹款小组的主席，Amanda 是副主席！成员有：Jasmine, Lia, Henry。恭喜！

Please continue to show your Burnett Breaker Spirit by sending a donation. Parents can easily donate from Cash Online, or cheque and cash. Every dollar raised will go directly to support Burnett students.

我恳求大家可以伸出援助之手，为我们的孩子们继续努力！我保证您所出的每一元钱都会用在支持您的孩子身上！我们 Burnett 中学现在已开放了网络捐款（Cashonline）也接受捐赠支票和现金！（如果您捐支票与现金的父母，请下载表格和填写好私人资料后与支票或者现金一同让孩子交给学校或者交给 Connie，方便我们回寄报税收据给您！）
