## PRINCIPAL'S MESSAGE

This week we installed the three grade 8 banners pictured at the top of this Newsletter in our rotunda. If you have never visited our rotunda, I encourage you to do so. It is an incredible place. These three banners reflect the journey we have been on together through the pandemic. In September of 2019, the class of 2024 attended their grade 8 retreat at Camp Stillwood. With the leadership of our mentors alongside them, the class was ready to *Rise and Tell Their Story*. This wonderful group of students, now in grade 10, had no idea that by March of 2020 they would all be at home with the rest of the province living a different story they never could have imagined. The class of 2025 has been an incredibly resilient group through their first two years of high school. It has been wonderful to see them become *Stronger Together*. They amaze us each day. The class of 2026 has risen above many challenges and are indeed *Breaking Barriers*. They are kind and generous, full of hope and optimism.

We have had a very good year together as a Burnett Community. We started the year with enormous complexity, survived the realities of several variants, remained focused on our themes, and remained one the best and safest places to learn and lead in all of Richmond. I am internally grateful to all of our students, staff, parents, guardians, and caregivers for their support during these last several years. Together we have *Risen to Tell Our Story*.

As we head into the last four weeks of learning, we want to remind students and families of the importance of maintaining a good life balance as the energy level in our school builds and activities increase towards the end of the year. This includes taking time for personal wellness, paying attention to mental health, sleeping well, and regular exercise. Our students continue to excel in many areas, and we are thankful for the engaged learning community we have. As we move forward to the end of the school year, we are remaining centered on our themes for this year:

- Personal Well-Being and Health
- Inclusion and Equity with a focus on First Peoples Principles
- BC's Redesigned Curriculum/Communicating Student Learning

As many of you have heard by now, I will be leaving Burnett for my new position as District Administrator of Inclusive Learning at the end of the year. I am passionate about equity, diversity, and inclusion, and have dedicated much of my career to this important work. Serving as your principal over the last year has been one of the best experiences of my career. This is a special place. I thank you for the opportunity to learn and lead together with all of you.

Mr. D. Ratzlaff

# Learning in Focus

## Grad Legacy Presentations to PAC 2022

On Thursday May 26<sup>th</sup> some of our students from the class of 2022 made PAC Legacy Scholarship presentations to parents.

Students shared their passions and capstone projects as well as answering the following questions:

- How has your time at Burnett helped shape you into the learning and person you have become?
- What and how have you given back to Burnett?
- What are your goals for the future?
- How have your experiences and learning journey at Burnett helped you choose these goals?

It was an incredible evening for both students and parents. Our parent volunteers were very impressed by the quality and content of the presentations and our students felt honoured to share their story.

The evening reflected our commitment as a school that is stated in our School Story: *At J.N. Burnett we provide an enriching environment that respects, values, and celebrates diversity, equity and inclusion, promotes individual goal setting and growth, and prepares the learner to be a well-rounded and responsible member of the larger community.*

## Class of 2027 Visits Burnett

The class of 2027 visited Burnett on Friday May 27<sup>th</sup>. It was an incredible morning. Our new Breakers heard about our amazing school, its many amazing traditions, and great culture. Led by our Breaker Mentors and PHE 10 Incentive class, grade 7 students toured our facility, visited classrooms, participated in team building activities and heard about school life and expectations for next year.

We are really looking forward to welcoming these amazing new Breakers as they begin their learning journey with us in fall.

## Athletes Summary

This month concludes the Spring Sports season. Burnett has seen a very successful spring season with the Tennis Team placing 1st in Richmond, Senior Ping-Pong pong placing 1st in Richmond, and the Bantam Badminton Team finishing 6-0. The Bantam Boys and Juvenile Boys both finished 2nd in Richmond, falling short in the finals. The Senior Ultimate Teams placed 5th and will be participating in provincials, wish them luck! The Juniors Ultimate Team came 3rd in Richmond. All the Breaker's hard work has paid off and hopes to see the rest of Burnett's teams continue to succeed.

## Track and Field

Congratulations to all members of the Track and Field Team who competed in the Richmond championship meet. Many achieved personal bests and the following athletes qualified to advance to the south Fraser championships: Hugo Hui, Sonia Nguyen, Rohin Manhas, Adjana Dodd, Marcus Nguyen, Lawrence Man. They represented Burnett well and achieved personal bests there. Bravo! It was and continues to be rebuilding years for the sport in the district. We look forward to a bigger team next year!

## The Robotics Team: Breaker Robotics 7796

Located in the tech-ed. (B) wing of the school, the robotics team runs all year, mainly competing in the FIRST Robotics Competition in Victoria during the competition season. From April to December, the team focuses on supporting the community, recruiting, and training new members, and seeking grants / sponsors. Once the kickoff for the competition starts in January, the team switches focus to strategizing, designing, and building a robot from the given rules & parameters.

This year, the members created a strong defensive robot to bring to Victoria for the competition. Within the large stadium of the Save-On Foods Memorial center, the team stayed positive, keeping an eye out for each other at all times. Although many problems were encountered, the team did not give up, pulling off feats that seemed impossible. For instance, the team repaired a gearbox within 15 minutes! Through the efforts of each member, the team made it to the quarterfinals, gaining tons of valuable experience and building several core skills that will last a lifetime.

## Waterloo Euclid

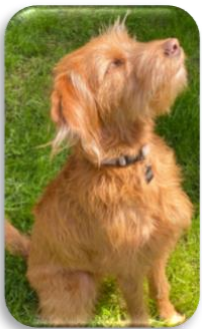

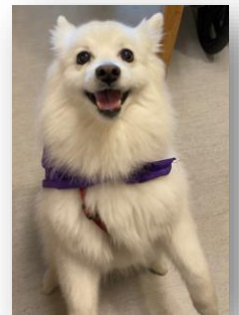

The following students (Eric Hou, Jerry Dai and Bernice Xiao) represented Burnett in the Waterloo Euclid (Gr. 12) contest where Burnett placed 2nd in our zone, 21st in the province and 93rd in Canada. **Congratulations!**

ARC would like to thank everyone who ordered pies recently through ARC Rescue Society's Pie Hole Fundraiser.

Updates on our rescues:

We have one dog, Tess Cottonball, in a foster home with one of our staff members. Tess has made a couple of visits to Burnett, and we are hoping she will be adopted by her foster family.

We have another dog, Rory, a beautiful Golden Retriever/terrier X, with an adoption pending.

Our emotional support dog, Jet, visited Grauer Elementary to share his story with a grade 4/5 class where two ARC Council members shared the importance of responsible pet guardianship and the importance of adopting rather than buying a pet. Jet and the students all had a great time. JNB ARC Club supports ARC non-profit Society. Please check us out at [arcrescue.ca](http://arcrescue.ca).

## DRY GRAD NEWS

Our parent-led Dry Grad Committee met at the school on May 17, 2022. They reviewed the number of students who purchased tickets for Dry Grad, the budget, and the time commitment required to run Dry Grad this year. Unfortunately, just over half the number of required tickets were sold to successfully run the Dry Grad. Despite an extensive advertising campaign and encouragement at every level of our school and community, there was simply not enough interest among our grads in the event this year.

On behalf of the Dry Grad Committee, we are officially announcing that Dry Grad 2022 is cancelled. Refunds will be issued through School Cash Online, or if you paid by cash or cheque, a cheque will be issued in the name of the legal guardian. Despite the cancellation of Dry Grad, we are happy to report that many students attended the Boat Cruise and dinner/dance event. In fact, attendance at the dinner/dance was higher this year than in previous years before the pandemic. We had originally planned for five grad events in a short two-month period. This may be part of the reason why there was less interest in Dry Grad this year.

## FUNDRAISER COMMITTEE NEWS:

Dear parents and students,

It is with great pleasure that PAC has voted on Thursday, May 5th evening to allocate a total of \$10,195.00 from our donations account towards the purchase of the library computers.

The Fundraising committee had a meeting with Principal Doug Ratzlaff. We discussed how to promote the fund-raising event of student first aid kit.

We will revise our proposal and plan to submit it by the end of May. If everything is approved by the school board and superintendent, we will optimistically start the fundraising event by next term.

Thank you for your contributions towards computers for the school. However, we are still around \$ 5,805 short. Our students need these computers to complete research and homework. Some of the students are unable to learn due to lack of these devices. In addition, our computer clubs could use the new electronics in the library for future coding competitions. Our fundraising committee will prepare some fundraising activities such as emergency first aid kits and other fun activities.

Dear parents, please support us and let us build a brighter future for our kids together!

Or Burnett Secondary School is now open for donations (Cashonline). We also accept donations in forms of cheque and cash. (If you are a parent who donates cheques or cash, please download the form, and fill in the personal information. Your child can proceed to bring the cheque or cash to the school or to Connie. This way, we can return the tax receipt to you.) If you have any questions or suggestions, please contact Emily at: [jnburnettpac@outlook.com](mailto:jnburnettpac@outlook.com)

2022 年筹款小组新闻：

亲爱的爸爸妈妈，

非常兴奋的告诉大家一个好消息！5月5号的家长委员的会议上全数父母投票一致同意通过从我们的捐款账户中拨出总计 \$10,195 购买图书馆的电脑！

筹款委员会主席 Emily 和副主席 Amanda 与校长开会了。我们讨论了如何推动学生急救箱筹款的活动。在我们开始筹款义卖之前，我们会让所有文件合法化并遵守学校局的所有规定。我们将再次修改我们的筹款议案，并计划在5月底之前提交给学校局。如果一切都得到学校局局长的批准，我们将乐观地在下学期九月开始筹款活动。

亲爱的家长和学生，感谢您为学校图书馆提供的捐赠。然而，我们仍然需要\$5,805，我们 Burnett 的学生需要这些电脑来做研究和功课。由于缺乏这些设备，一些学生无法准时完成功课和他们的学习计划。此外，我们的计算机俱乐部可以使用图书馆的新设备进行未来的编码比赛。我们家长委员会的筹款委员会小组已经准备好一些筹款活动，例如紧急急救包等……亲爱的父母，请支持我们，让我们一起为我们学校的孩子创造更美好的未来！

Burnett 中学现在已开放了网络捐款 (Cashonline) 也接受捐赠支票和现金！（如果您捐支票与现金的父母，请下载表格和填写好私人资料后与支票或者现金一同让孩子交给学校或者交给 Connie 或者 Emily 方便我们回寄报税收据给您！）
