### Every student, every day, whatever it takes!

*"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."*

Maya Angelou

Often in working with people, young or old, it's the small things that, when added together, lead to success. One of those small things is leading by modelling calm. As educators, we are not here merely to make a living bestowing knowledge on others. All educators and adults that are fortunate to be able to support young people in their growth and development are role models.

As educators, we are here to enrich the world with strong, knowledgeable young people, but we impoverish ourselves if we forget that the errand is not just to impart wisdom but to model behaviour, to conduct ourselves with grace...as calm professionals. The errand is to show the world what calm looks like when surrounded by chaos. We want to exemplify calm as a key to retaining common sense and gaining others' confidence. Calm is maintaining your poise even when facing difficult situations.

The truth is that the people we engage, students, other educators, and parents will eventually forget the wisdom we shared, but they will never forget how we made them feel. They will never forget that when everything was on fire or a student was in turmoil, we remained calm and helped others remain calm. Anyone who is fortunate to be able to support young people in their development and growth, should always keep in mind: you are a role model and calm, although a small thing, leads to success.

*At Burnett we "Champion Students and their Learning."*

### Our focus is on:

- engaging our students and staff in creating a more equitable school and a more aware community. Together we are stronger.
- improving student learning and engagement through improving student well-being. Emotionally healthy students make for academically strong students.
- striving to inspire students to pursue their passions and interests. Inspired students have a better experience.

### Championing Students and Learning – Goal Setting

Last week, all students received Interim Reports. Interims are an opportunity for students to review their goals and even set new goals if they are not meeting their expectations. At Burnett, our staff continues to challenge students to set high expectations for themselves and to demonstrate determination in striving for these goals. Setting goals is a good way to help students to reflect on what is important to them, clear their minds, and focus on what type of student they want to be.

### Need extra help?

The BLT is designed to provide extra learning support for all students in all subject areas. This is a great way for students to get some extra help with their learning with the help of a teacher. Please encourage your students to take advantage of this great resource. Students are welcome to drop-in or teachers and parents can request students attend.

### Grad Winter Formal @ Quilchena Golf & Country Club

Winter Format is taking place on Thursday, November 24 from 7-10pm. Grads attend an evening of fun, food, dancing, and socializing. Please visit School Cash Online to pay by November 10.
