## PRINCIPAL'S MESSAGE

Dear Parent/Guardian,

The month of May is behind us, and as we enter the final month of the school year, the excitement is beginning to build! It is a very busy time of year, and students and parents are reminded to keep their lives balanced and healthy as they finish of their studies strong. Be sure to get lots of sleep, eat properly, get some exercise, and have a well-organized educational plan that will help you meet your goals. If you stay organized, you will be much more able to enjoy year-end celebrations.

Special events are happening all around the school. We will have our Annual Awards Ceremonies on Wednesday, June 21<sup>st</sup> as well as our Athletic Banquet on Wednesday, June 14<sup>th</sup>. These events recognize the fantastic achievements of so many of our students. Special thanks go to Mr. Giesbrecht, Mr. Harrison, and all the teachers for working so hard to organize these ceremonies and collect all the nominations. Our students have once again done us proud.

Highlights of the past month include the Grade 7s' visiting our school on Friday, May 26<sup>th</sup>, to get a taste of what high school life will be like. A special thank you goes out to the Counselors and the Grade 11 and 12 student mentors who did a great job of hosting our newcomers!

On May 5<sup>th</sup>, our Grads presented their Capstone Projects during Conference Day, and now we look forward to Prom on June 2<sup>nd</sup> and the Commencement Ceremony on June 29<sup>th</sup> at UBC Chan Centre. The Red Carpet and Dry After Grad party will be on June 2<sup>nd</sup> and 3<sup>rd</sup>.

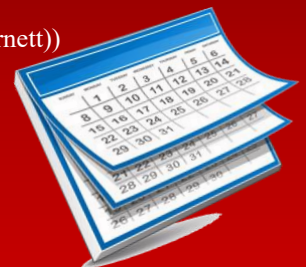

We will be distributing Yearbooks on June 22nd, so all students will need to ensure all fees are paid and textbooks and library books are returned in order to get their yearbook. The last day of our regularly scheduled classes is Friday, June 23<sup>rd</sup>. Report Cards will be published on June 29th.

It has been another great month at Burnett, and we are eagerly anticipating the last few great events on the horizon in June.

Sincerely,  
Mr. Jaswal, Principal  
JN Burnett Secondary School

## ELL/International Victoria Field Trip

Our ELL, international and some regular students participated in a two-day field trip to Victoria on May 18 and 19. This was our first overnight field trip since the pandemic started and we were all excited about this trip. The students had the opportunity to experience Canadian culture by touring the Legislative Assembly, enjoying a delicious lunch at the Parliament Dining Room, petting baby goats at a zoo, and savouring high tea at the Teahouse at Abkhazi Garden. The visit to Miniature World offered them a glimpse into important historical events and characters depicted in various genres of literature. They worked cooperatively in groups to complete scavenger hunts in downtown Victoria and explored the Royal BC Museum to learn about dinosaurs in BC and the First People's sacred journeys on their canoes. It was wonderful to see the students enjoy each other's company and practice their English and social emotional skills by speaking to other passengers on the ferry.

### Track and Field News

Congratulations to all student athletes for their competition in the Richmond District Championship Meets. Many have advanced to the South Fraser Zones Championships taking place MAY 25, and 26 in Surrey. ### Overview

SFU Applied Sciences Outreach offers fun, engaging workshops and resources that encourage youths to explore topics in Science, Technology, Engineering, Arts and design, and Mathematics (STEAM). We aim to not only enhance STEAM literacy among youths in BC, but also foster an appreciation of how science can be used to make sense of the world we live in and improve how we do things.

### About STEM Speaker Series

"What should I study in university?"

"What are my career options if I'm interested in STEM?"

"What is university like?"

If you are a Grade 8-12 student and these questions are on your mind, then perhaps this is the right event for you! The Science, Technology, Engineering, and Mathematics (STEM) Speaker Series provides secondary school students with the opportunity to meet and interact with university students, faculty members, and/or working professionals in STEM fields.

During this event, our guest speakers will present and discuss their research and/or the work they do in their profession. They will also talk about their career path and what made them pursue the field they are in. Finally, there will be a Q&A session for students to ask questions and interact with our guest speakers. This speaker series is also open to the public as we want to encourage parents, guardians, and teachers to join us in supporting youths who are interested in pursuing post-secondary studies in these disciplines.

Student Exchange

## This Summer Do Something Different

The YMCA Summer Work Student Exchange is a national exchange program, funded by the Department of Canadian Heritage, offering 16 and 17-year-old youth the opportunity to experience another community, second official language, and culture.

For six weeks in July and August, participants travel to a community in a different part of the country where their second official language is spoken. They live with a host family, work at a full-time paid job at a local non-profit

and participate in group activities all while supported by a YMCA Local Coordinator.

Youth, adults and non-profits are able to benefit from the program as participants, hosts or employers.

To keep everyone as safe as possible during the current pandemic, we will be following the direction of government and local health authorities regarding travel and other health protocols.

PROGRAM SPONSORS

Our First Responder Team has set up a bottle drive to raise money for new supplies, guest speakers and so much more. Next time you return your cans at a Return-It depot, use the code (000) 000-1234 at the kiosk. A sticker will print out which can be placed on your bag of bottles. This is an amazing way to support our staff and students!

Welcome to June!

## DRY GRAD NEWS

### A Message from The JN Burnett Dry Grad Committee 2023

Thank you to all of the Burnett families that made generous donations to put on a great event for our 2023 grads. We still have a few spots for parents to help on the day of dry grad, June 2-3, 2023. Please see the link to our volunteer sign up:

<https://www.signupgenius.com/go/8050D4CA5AA28A1FA7-jnburnett>

Volunteers will be given instructions by someone from the Dry Grad committee during their shift. Many hands make light work!

On Friday, June 2 students will need to drop off a change of casual clothes at the school 12-4 pm. Students will not be allowed to go home after prom if they are attending dry grad. Prizes will be drawn at 4:30 am and you must be there to win. If students need to leave dry grad prior to 4:30 am, please arrange with Jennifer Dahl at [jenadahl@icloud.com](mailto:jenadahl@icloud.com) or 604-908-6829. All students must be picked up by 5 am. Please watch for more details coming and attend the Grad Events Meeting on Thursday, May 25 at 6:30 pm (Teams link was sent out from the school).

## DRY GRAD NEWS (TRANSLATED IN CHINESE)

### JN Burnett 毕业典礼晚会 2023

超過 100 名畢業生將在 6 月 2 日晚宴和舞會後參加 Dry Grad。我們需要 Breaker 社區的大量幫助才能實現這一目標。請參閱我們的志願者註冊鏈接：

<https://www.signupgenius.com/go/8050D4CA5AA28A1FA7-jnburnett>

我們希望您能提供幫助。對於 10 年級和 11 年級的家長來說，這是一個了解 Dry Grad 如何運作的好機會。在輪班期間，Dry Grad 委員會的人員將向志願者提供指導。我們預計某些輪班時間會比列出的時間短（場地設置在大型體育館）。人多力量大！

- Please Turn Right only during busy times at both the south and west exits onto Granville
- Avoid dropping children off at the side of the road or on the median on Granville and McCallan.
- Encourage students to walk or bike to school
- Drop your children several blocks away instead of coming into the parking lot
- Leave a few minutes earlier to avoid the rush
- Please pick up your children in the parking lot and not in the drop-off lane
- Don't double park
