The Richmond School District is committed to protecting student privacy. We want to inform you about what forms of communication we use and seek your consent to allow the use of some personal information.

Section 1: Use of Student Information

Student information that might be used in publications and services include student names, photographs, videos, sound recordings, and samples of student work. In all cases, student contact information such as phone numbers, addresses, email address, etc. will NOT be used in any publicly accessible publications and services.

SCHOOL AND DISTRICT PUBLICATIONS AND WEBSITES

Staff and students create and publish a variety of materials that highlight school activities, school programs and personal accomplishments. We require your permission to include student information in these materials. Please note that internal sites are also protected by a user ID and password and are not accessible to the public. If you do not provide consent, the student **will not be included** in publications such as:

- Student yearbook
- Grad composite photos
- Accomplishments/samples of their schoolwork
- Newsletters, presentations and reports
