Assign Locker

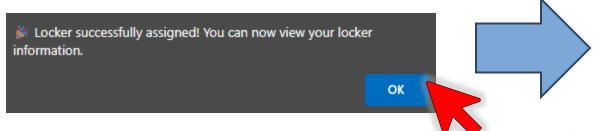

How to Assign Locker (1/2)

Do you want to assign Locker 1021 in 1st Floor? Important: Once assigned, you cannot change it yourself. Only the school office can unassign your locker. All actions are logged in the system. Do you want to proceed? Cancel OK Locker successfully assigned! You can now view your locker information. OK

Assign Locker

How to Assign Locker (2/2)

If locker assignment is successfully completed, you can check the assigned locker and enter the combination.

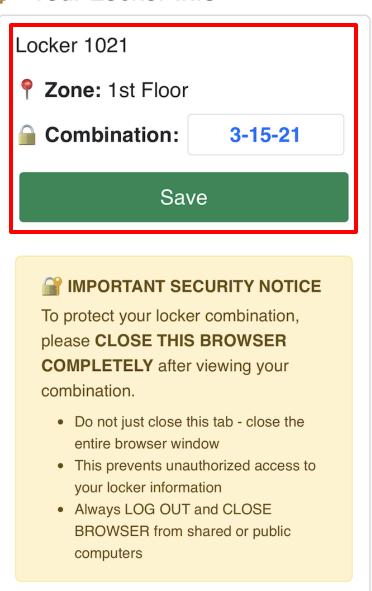

Click on the CHANGE button, enter your combination, and then click on the **green** SAVE button.

If your locker combination changes, you can repeat the process above to enter your new combination and save it.

You **must** enter 4-10 characters for your combination. Examples:

- combination lock: 3-15-21
- -directional lock: U-D-L-R-U (for up, down, left, right, up)
- -single digit lock: 0004
- -keyed lock: keyed
