District Parent Education Sessions – 2024/25 School Year

The Richmond School District is excited to offer a variety of parent education sessions during the 2024/25 school year. These virtual sessions are open to all parents in the Richmond School District and will provide practical strategies, expert insights, and tools to support your child's well-being in the digital age. More information and registration for parents is available on the district website. Read more... ([link](#))

Communicating Student Learning

The Semester 1 Summary of Learning will be published in MyEd BC on February 3. In addition to this, a Graduation Status Update will be published to MyEd accounts for students in Grade 10-12. Please visit our website [here](#) to learn more about the personalized update. Please take a moment to reflect on learning and teaching that has occurred in Semester 1 and set goals for Semester 2. For teachers and students, this is an opportunity to celebrate their successes, learning, hard work, and determination.

Safety and Traffic Guidelines

We encourage students to walk or bike to school – there are significant health benefits to doing. Walking would also help to ensure the safety of our students and reduce traffic congestion during busy times. If families insist on driving, we kindly ask everyone to follow these important guidelines:

- **Right Turn Only:** During peak hours (8:15–8:45 AM and 2:45–3:15 PM), please remember that only right turns are allowed when exiting the school at both the south and west exits onto Granville.
- **No Roadside Drop-offs:** For the safety of all, please avoid dropping off children at the side of the road or on the median on Granville and McCallan.
- **Pick Up in the Parking Lot:** Please pick up your children in the parking lot instead of the drop-off lane to keep the flow of traffic moving.
- **Avoid Double Parking**
- **Encourage Walking or Biking:** If possible, encourage your children to walk or bike to school. It's a great way to promote independence and stay active.
- **Drop Off a Few Blocks Away:** Consider dropping your children off a short distance from the school to help ease parking lot congestion.
- **Leave a Few Minutes Early:** Giving yourself a little extra time can help you avoid the rush and make the drop-off process smoother.

We appreciate your support in helping us create a safe and efficient environment for all our students and families. Thank you for your cooperation!

Burnett Learning Time (BLT)

Burnett Learning Time (BLT) will provide opportunities for students to deeply engage with and manage their learning. Teachers clearly communicate *which staff* and *which learning spaces* are available for BLT on Tuesday and Thursday morning in their classes and on our *EASY Weekly Planner*. *Students use their student number as both username and password to login.* Learning spaces will include teacher's classrooms and large common spaces like the multi-purpose area, center court, the library learning commons, and some of our fitness areas. **Each space will have a capacity limit.** It is important for students to book their learning space requests in advance on the weekly planner website. **To sign-up students can go to burnett.myweeklyplanner.net and select their BLT session or sessions. Sign up is now open.**

Guiding Principles for Burnett Learning Time

- BLT is Self-Directed, Self-Managed, and Self-Regulated
- BLT Enhances Curricular and Core Competency Development
- BLT Builds on Individual Passions
- BLT supports Self-Care, Self-Awareness, Physical/Mental Health

Possible options for students during Burnett Learning Time:

- complete homework, reading, journaling, reflecting
 - work on projects with classmates, receive learning support in the learning centre, get extra support, from staff
 - community service, work experience, and clubs
- improve both physical and mental health receive counselling support

Blue Containers Now Used By Cafeteria

Burnett is testing a pilot project from the district to use reusable dishes in the cafeteria. They have partnered with a company called Friendlier (<https://www.friendlier.com/>) that will collect the special blue dishes, wash, sanitize and return them to the cafeteria so that they can be reused. This pilot project hopes to reduce the amount of waste produced from the take-out containers from our cafeteria. If you receive your food in a blue container from the cafeteria, remember to recycle it in the special bins!

Communication with Students:

Shifting to Teams Students

At Burnett, we're shifting to Microsoft Teams as our main hub for all school-related activities – from communications and resources like bell schedules and forms to class interactions. This move is designed to streamline your experience, ensuring you have easy access to everything in one place.

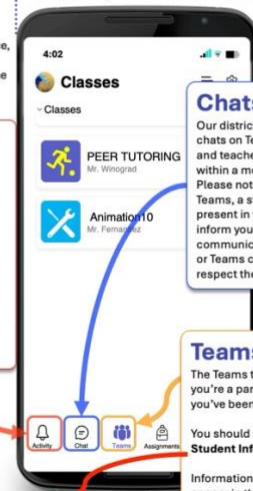

- **Centralized Platform:** Teams will become the go-to for communications, class materials, and more, reducing the need to sift through emails.
- **Transition Period:** We'll dual-send information via email and Teams until Spring Break. Afterward, Teams will be our primary communication channel.
- **Reliable Delivery:** Avoid missed messages due to email provider issues. Teams ensures you won't miss out on important school updates.

Activity

A red badge appears to notify you whenever you've been tagged in a post:

Keep an eye on the Activity notification badge; when it appears, tap the bell to see a list of your activity notifications.

Chats

Our district is introducing supervised chats on Teams, allowing students and teachers to communicate directly within a monitored environment. Please note, for direct messaging on Teams, a staff member must be present in the chat. Teachers will inform you of their preferred communication method, either email or Teams chat, and we ask that you respect their choice.

Teams

The Teams tab shows you classes you're a part of, and Teams that you've been added to.

You should see the **JN Burnett Student Information team**. Information relevant to students will appear in this team (PA announcements, school & community events, and more)

YOUTH AMBASSADORS with Canada

The Youth Ambassadors Program with Canada is a 2.5-week leadership exchange in the United States for teenagers ages 15-18 and adult mentors. The program provides full scholarships for 12 students and two adult mentors to take part in the exchange. After the exchange, youth participants will implement a service project in their home community with the support of their Adult Educators (mentors).

The Youth Ambassadors Program develops a network of young adults from across the Americas who have a strong sense of civic responsibility, a commitment to their communities, an awareness of current and global issues, and strong interpersonal leadership skills.

Participants in the Youth Ambassadors Program Gain
Leadership Skills | Intercultural Understanding | Networking Opportunities | Community Service | Professional Development | Global Perspectives | Scholarship & Fellowship Opportunities

All Youth Participants Must:

- Be a Canadian citizen
- Be between 15-18 years old at the start of the exchange with at least four months of high school or CESEP remaining before graduation
- Demonstrate an interest in, and have limited experience in, the United States
- Demonstrate leadership potential and community involvement
- Have parental/legal guardian permission to participate in international travel or online programming
- Be available for pre-exchange virtual workshops

Be willing to complete a community-based service project in their Canadian community after the exchange

High-intermediate level of spoken and written English

Program Details:
The exchange will take place from July 15, 2025 to July 31, 2025. Program formats are subject to change in consultation with the U.S. Department of State.
Application opening: January 13, 2025
Application deadline: February 9, 2025

For more information, please visit youthambassadorsprogram.org or email us at youthambassadors@worldteaming.org.

Youth Ambassador is a program of the U.S. Department of State's Bureau of Educational and Cultural Affairs, with funding provided by the U.S. Government and administered by World Teaming.
