This window has four different sections:

<u>Instructions-</u> Here you will find an overview of the courses and any notes regarding course selections for your grade. These will be similar to the instructions on your Program Planning template.

<u>Primary Requests-</u> These are your course requests for next school year (2024-2025). By clicking on the *Select* button on the bottom of your instructions window you can view the course options. Choose both your 'Required' and 'Elective' courses here.

<u>Alternate Requests-</u> These are the courses you want if your primary requests are not possible. It is better for you to choose alternate requests than for us to choose for you. <u>Notes for Counsellor-</u> Enter your summer learning plans and/or any other information that you want the counsellors to know about your requests.

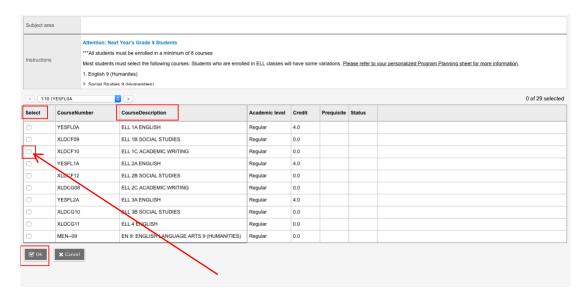

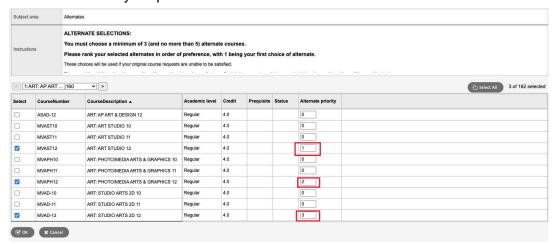

- 3. Click on the **Select** button on the bottom of the instructions window. This will open a pop-up window that has the available course selections for your grade.
