J.N.BURNETT SECONDARY GRADE 11 PROGRAM PLANNING 2025-2026

J.N. BURNETT HOME OF THE BREAKERS

Land Acknowledgement

We acknowledge that we are on the traditional, ancestral and unceded territory of the people of the Hən̓q̓əmin̓əm̓ (*hun-ki-meen-um*) language group, and we thank those who have occupied and cared for this land for thousands of years.

The Musqueam First Nation had traditional sites for fishing, hunting, and gathering across this area, but this was also shared territory with many other surrounding First Nations. These nations had language in common and, as such, we acknowledge the territory of the Hən̓q̓əmin̓əm̓ (*hun-ki-meen-um*) group.

TIPS FOR PROGRAM PLANNING

- ❑ Complete your requests **ONLINE**
- ❑ Choose your courses carefully (**changes are difficult to accommodate**)

INSTRUCTIONS FOR SELECTING YOUR COURSES IN MYED:

Student Course Selection-Log in

Website: <https://www.myeducation.gov.bc.ca/aspen/logon.do>

When you arrive at the home page you will see the log in window. Follow the directions below to complete the account activation:

- Enter your **Login ID** and **Password** (you should know your password already unless you are a new student, in which case a temporary password will be listed on your program planning sheet). Please email burnett@sd38.bc.ca with your name and student # if you need help.
- IF** you are prompted to, you may need to change your password. '**Current Password**' is the temporary Password you were provided. Enter a '**New Password**' and '**Confirm New Password**'. Password requirements are displayed behind the red warning message.
 - IF** you need to, you can update your security settings (ie. to update password, email or security question). Find your name in the top right corner of the page and click on the arrow beside your name.
 - Click on "Set Preferences"
 - Select the "Security" Top Tab
 - Update your "Primary Email" if needed
 - Select and answer a "Security Question" and confirm this answer (if needed)

Student Course Selection-Select Courses

1. Click on the **MyInfo** Top Tab (TT).

2. Then go to the Requests Side Tab. You will see a screen with your 2024-2025 grade level that looks something like the following screen (your screen will be green):

2024-2025 - Requests: 8 primary 8 alternate - Scheduled: 0% - Credits: 0.0

Instructions: **Attention: Students entering Grade 12**
Students are required to have a complete knowledge of 8 courses. Students should meet with the counselling department of academic accommodations as needed.
Grade 12 students may take one (1) Study Block. A second Study Block **MUST** be approved by your counsellor and an administrator.
To use Runell's Program Planning guide click [HERE](#).
Students entering Grade 12 next year must take the following required course:
• English 12
• English First Peoples 12
*** IF YOU ARE IN ELL, PLEASE SELECT THE APPROPRIATE LEVEL. ***

Notes for counsellor

This window has four different sections:

Instructions- Here you will find an overview of the courses and any notes regarding course selections for your grade. These will be similar to the instructions on your Program Planning template.

Primary Requests- These are your course requests for next school year (2024-2025). By clicking on the **Select** button on the bottom of your instructions window you can view the course options. Choose both your 'Required' and 'Elective' courses here.

Alternate Requests- These are the courses you want if your primary requests are not possible. It is better for you to choose alternate requests than for us to choose for you.

Notes for Counsellor- Enter your summer learning plans and/or any other information that you want the counsellors to know about your requests.

- Click on the **Select** button on the bottom of the instructions window. This will open a pop-up window that has the available course selections for your grade.
 - Courses are sorted **by department**
 - You can scroll through the course options by using the tab at the top of the page

Select	CourseNumber	CourseDescription	Academic level	Credit	Prerequisite	Status

- If you see an error, click the **Select** button again and make your corrections.
- **IMPORTANT!** When all of your course selections are correct hit the **POST** button on the bottom of the window.

Note: Failure to **POST** your course selections will impact the course registration totals and may cause a course to be dropped due to lack of enrollment. Each time you make a change after posting, you must hit post again for the system to pick up the changes.

Please note that you can go back into this account at any time during the Course Selection timeline to make changes and re-Post your selection.

Please make sure that your selections in MyEd are *accurate*. These are the requests that will be used to build student schedules.

HOW CAN A CAREER INFORMATION ADVISOR HELP ME?

SD38 RICHMOND CAREER PROGRAMS SECONDARY SCHOOL YOUTH TRAIN IN TRADES

- ❑ Youth Train in Trades programs provide students the opportunity to attain Level 1 Foundation technical training skills
- ❑ Students start post-secondary trades program work while still in high school, earning both high school and college credits during the program, as well as SkilledTradesBC credentialing.
- ❑ Tuition for the first level of these programs is paid by Richmond SD38. This is typically a savings of \$2500-\$5000!
- ❑ Students can also avoid wait lists for some of our post-secondary partnership programs.
- ❑ All students are registered as apprentices with [SkilledTradesBC](#).
- ❑ You may also view our [CAREER PROGRAMS BROCHURE](#) for a synopsis of our program offerings or go to <https://careerprograms.sd38.bc.ca>

Students can earn up to 16 high school credits (four courses) at the Grade 11/12 level

These courses are taken off-timetable and consist of 120 paid work hours and three short, online assignments per course

Student's job must be in a [SkilledTradesBC recognized trade](#) under a certified journey-person who is willing to sponsor the student as an apprentice

Students must be between the ages of 15-19

Hours worked count toward [apprenticeship with SkilledTradesBC](#)

During high school, students may concurrently apply to enroll in a District Youth TRAIN in Trades program or, upon graduation students have an opportunity to register in a college/university technical training program for their trade.

You may also view our [CAREER PROGRAMS BROCHURE](#) for a synopsis of our program offerings or go to <https://careerprograms.sd38.bc.ca>
