Safety and Traffic Guidelines

We encourage students to walk or bike to school – there are significant health benefits to doing. Walking would also help to ensure the safety of our students and reduce traffic congestion during busy times. If families insist on driving, we kindly ask everyone to follow these important guidelines:

- **Right Turn Only:** During peak hours (8:15–8:45 AM and 2:45–3:15 PM), please remember that only right turns are allowed when exiting the school at both the south and west exits onto Granville.
- **No Roadside Drop-offs:** For the safety of all, please avoid dropping off children at the side of the road or on the median on Granville and McCallan.
- **Pick Up in the Parking Lot:** Please pick up your children in the parking lot instead of the drop-off lane to keep the flow of traffic moving.
- **Avoid Double Parking**
- **Encourage Walking or Biking:** If possible, encourage your children to walk or bike to school. It's a great way to promote independence and stay active.
- **Drop Off a Few Blocks Away:** Consider dropping your children off a short distance from the school to help ease parking lot congestion.
- **Leave a Few Minutes Early:** Giving yourself a little extra time can help you avoid the rush and make the drop-off process smoother.

We appreciate your support in helping us create a safe and efficient environment for all our students and families. Thank you for your cooperation!

Burnett Learning Time (BLT)

Burnett Learning Time (BLT) will provide opportunities for students to deeply engage with and manage their learning. Teachers clearly communicate *which staff* and *which learning spaces* are available for BLT on Tuesday and Thursday morning in their classes and on our *EASY Weekly Planner*. *Students use their student number as both username and password to login.* Learning spaces will include teacher's classrooms and large common spaces like the multi-purpose area, center court, the library learning commons, and some of our fitness areas. **Each space will have a capacity limit.** It is important for students to book their learning space requests in advance on the weekly planner website. **To sign-up students can go to burnett.myweeklyplanner.net and select their BLT session or sessions. Sign up is now open.**

JNB Theatre Company presents "She Kills Monsters: Young Adventurer's Edition" by Qui Nguyen, Playing May 1,2,8,9 2025. Tickets on sale NOW – follow the QR code on the poster or [click here!](#)

She Kills Monsters tells the story of high schooler Agnes Evans as she deals with the death of her younger sister, Tilly. When Agnes stumbles upon Tilly's Dungeons & Dragons notebook, she finds herself catapulted into a journey of discovery and action-packed adventure in the imaginary world that was her sister's refuge. In this high-octane dramatic comedy laden with homicidal fairies, feisty monsters, battles, brawls, and 90s pop culture, acclaimed playwright Qui Nguyen offers a heart-pounding homage to the geek and warrior within us all. Don't miss this AMAZING show coming to Burnett!!!

Communication with Students:

Shifting to Teams Students

At Burnett, we're shifting to Microsoft Teams as our main hub for all school-related activities – from communications and resources like bell schedules and forms to class interactions. This move is designed to streamline your experience, ensuring you have easy access to everything in one place.

•**Centralized Platform:** Teams will become the go-to for communications, class materials, and more, reducing the need to sift through emails.

•**Transition Period:** We'll dual-send information via email and Teams until Spring Break. Afterward, Teams will be our primary communication channel.

•**Reliable Delivery:** Avoid missed messages due to email provider issues. Teams ensures you won't miss out on important school updates.

Activity

A red badge appears to notify you whenever you've been tagged in a post:

Keep an eye on the Activity notification badge; when it appears, tap the bell to see a list of your activity notifications.

Chats

Our district is introducing supervised chats on Teams, allowing students and teachers to communicate directly within a monitored environment. Please note, for direct messaging on Teams, a staff member must be present in the chat. Teachers will inform you of their preferred communication method, either email or Teams chat, and we ask that you respect their choice.

Teams

The Teams tab shows you classes you're a part of, and Teams that you've been added to.

You should see the **JN Burnett Student Information team**.

Information relevant to students will appear in this team (PA announcements, school & community events, and more)

Breaking BARRIERS

Do you often feel stressed, anxious, angry, or overwhelmed?

Breaking BARRIERS is a mindfulness-based stress reduction group for teens.

Each week, members learn more about stress (e.g., its impact on our thoughts, emotions and behaviors) and add new skills and strategies to their stress-management toolkit (e.g., coping with stress and fostering calmness in everyday life).

What type of skills and strategies will you learn?

You'll learn an abundance of techniques that you can use in all areas of life, such as grounding exercises, guided mindfulness practices, visualizations, emotional regulation and self-care.
