SAFETY AND TRAFFIC GUIDELINES

We encourage students to walk or bike to school – there are significant health benefits to doing. Walking would also help to ensure the safety of our students and reduce traffic congestion during busy times. If families insist on driving, we kindly ask everyone to follow these important guidelines:

- **Right Turn Only:** During peak hours (8:15–8:45 AM and 2:45–3:15 PM), please remember that only right turns are allowed when exiting the school at both the south and west exits onto Granville.
- **No Roadside Drop-offs:** For the safety of all, please avoid dropping off children at the side of the road or on the median on Granville and McCallan. Pay close attention to the NO STOPPING Signs on the street and adhere.
- **Pick Up in the Parking Lot:** Please pick up your children in the parking lot instead of the drop-off lane to keep the flow of traffic moving.
- **Avoid Double Parking**
- **Encourage Walking or Biking:** If possible, encourage your children to walk or bike to school. It's a great way to promote independence and stay active. Cyclists take great care and caution and learn the rules of the road!
- **Drop Off a Few Blocks Away:** Consider dropping your children off a short distance from the school to help ease parking lot congestion.
- **Leave a Few Minutes Early:** Giving yourself a little extra time can help you avoid the rush and make the drop-off process smoother.

We appreciate your support in helping us create a safe and efficient environment for all our students and families. Thank you for your cooperation!

- Each PLT block will be 48 minutes in duration.
- All students will be required to attend each PLT session

Increased Opportunities for Student Support

PLT will increase support for all students and empower students to:

- Choose what area of learning they want to focus on
- Choose who they need to connect with for support (Teachers may request that you sign-up for a specific PLT)
- Learn how to self-manage their time and develop skills to be more independent learners

Strategies for Success – Some PLT Ideas

- Review class notes, textbook, homework and learning activities
- Make cue cards/flashcards or prepare other study tactics
- Review a quiz/test with a friend or work on group class projects
- Stay organized: record important assignment dates in agenda/clean-up binder
- Read/Journal

- Skills you will develop: questioning, communication, goal setting, organization, time management, self-regulation and awareness
- **PLAN/SET PRIORITIES** – What is due first? What is most difficult? What will take the most time?
- **ORGANIZE** – If tasks are completed, what else can be done to improve my learning - study, read, practice....What materials/resources do I need to bring with me to PLT?

Information and Reminders were shared with students during Homeroom this week; please see attached.

ATTENDANCE

If your child will be late or away from school, either for the full day or part of the day, please let the school know.

Two ways to report absences:

Early Warning line -- leave a voicemail at 604-718-4007

School Email -- send an email to burnett@sd38.bc.ca

Please leave the following information with your message:

- **Student's first and last names**
- **Student number** — we have several students with the same first and last names, the student number will allow the school to enter the excused absence for the correct student.
- **Parent/Guardian Identity** — only parents, homestay parents and legal guardians are allowed to excuse a student from school. Please identify yourself (mom, dad, homestay, etc.) when reporting a student absence.
- **Reason** for the absence — illness, appointment, travel, etc.
- **Duration** of the absence (start date to end date) — if absence is for more than one day.

The school will send automated voice calls and emails to parents and legal guardians of students with unexcused absence for the day. Please inform the school if you have a change in your contact information (cellphone, home phone, email address).

DISTRICT POLICY: Student Personal Digital Device

The Ministry of Education requires ALL districts and schools to have a policy for digital devices. The purpose for this is to make youth safe, improve student mental health, and eliminate constant interruptions from their learning.

The policy states that students can use their digital device IF, the teacher asks the students to use their device for a learning activity. Students who do not have device, will be offered a school device for the class.

Otherwise, ALL students must keep their device powered off and be in their backpack or their locker. If students do not follow the policy, staff will remind the student, and if they continue to use their device, staff will connect with parents, and possibly the student will not be allowed to have device at school. Furthermore, devices should not be used in changerooms and bathrooms. Students will be able to use their devices at break and at lunch.
