# COURSE CHANGES

## JUNE

Preference changes will be accepted, but not guaranteed.

## End of AUGUST

Course changes for summer school completion or incompletion only. **NO** preference changes.

## SEPTEMBER ONWARDS

Counsellors will continue to work on waitlists and missing graduation requirements. **NO** preference changes in Semester 2 either.

# WHAT DOES THIS MEAN?

The timetable is built based on what students request NOW. Requests after the due date may not be possible as the timetable is already built.

Take the time NOW to research courses, talk to teachers, talk to your counsellor, talk to the career advisor, and look at prospective post-secondary options and requirements.

Include alternative courses! We cannot guarantee you will get your first choice. A well-built timetable can only satisfy approximately 80% of all student requests.
