

Bob Mukai Memorial Scholarship Application

Bob Mukai lived and worked in Richmond most of his life. He was an educator, both teacher and principal in many different schools in Richmond. He supported and encouraged music in the school, both in band, choir and musical theatre at the elementary level. He himself was involved in music at a young age when one of his teachers encouraged him to sing in a Festival. All through his life he participated in singing, both in the Vancouver Bach Choir, Richmond Chorus and various Church choirs. He enjoyed all types of music including Rock and Roll, Folk music (the music of his Era) and Classical music to name just a few. All his life he appreciated and supported young people of any age developing their talents and expressing themselves through their love of music.

The family of Bob Mukai would like this scholarship be awarded to a well-rounded student who like Bob has a passion for music and would like to expand this passion in their post-secondary studies.

These two scholarships may be used towards:

1. Music training lessons – vocal and/or instrumental
2. Tuition fees towards student in a Music Faculty

Application Deadline: Monday, April 14, 2026 at 4:00 pm
